

Deferred Disposition / Driver's Safety Course

Deferred Disposition

The court offers a deferred disposition. Requests for deferred disposition must be made on or before your appearance date. A plea of guilty or no contest will be entered. The payment of court cost (\$100 or \$125 in school zone) plus special expense fee (mpr over X \$7 or \$8 if in school zone) must be paid. If you complete the required terms, the case is dismissed at the end of a 90 day period.

You are not eligible for a deferred disposition in the following instances:

- .Speeding 25 miles or more over the speed limit
- .If you held a CDL at the time the offense was committed
- .If you are charged with an offense in a construction zone

State mandated conditions:

- .If you are 25 years and under and have requested Deferred you **MUST** complete a DSC with a \$10 administration fee.
- .If you are 17 years and under and carry a provisional driver's license you **MUST** complete a driving examination provided by DPS. Whether you have previously completed the exam or not.

Driver's Safety Course (DSC)

If you are charged with a traffic violation under Subtitle C of the Transportation Code, you may be eligible to take a driver's safety course to dismiss the charge. Requests for driver's safety course must be made on or before your appearance date. The court cost fees (\$109 or \$134 in a school zone) must be paid prior to taking the course. Also current proof of financial responsibility and a current Texas driver's license or active duty military ID must be presented to the court.

You are not eligible for a driver's safety course in the following instances:

- .Fail to give information at an accident or left the scene of an accident
- .Passed a school bus
- .Committed an offense in a construction zone while workers were present
- .Speeding 25 miles or more over the speed limit
- .If you held a CDL at the time the offense was committed
- .Have not completed a driver's safety course for the dismissal of a citation within the previous 12 months
